

CRIMESTOPPERS INFORMATION

What is Crimestoppers?

Crimestoppers is an independent charity which helps the Police to locate criminals and help solve crimes. They have an anonymous, free phone number, which is available 24 hours per day - **0800 555 111**. People can call Crimestoppers to pass on information about crime or the public can send information anonymously via the "Giving Information" form on the website that can be found at <https://crimestoppers-uk.org>
You don't have to give your name or any of your personal details and Crimestoppers do not trace calls or track IP addresses.

Rewards

Crimestoppers pay cash rewards of up to £1,000 if the information you give to them leads to one or more people being arrested and charged. The information you give is passed onto the Police in such a way that they do not know who you are; they never give the Police information about callers. It is a simple and secure way of bringing criminals to justice, without anybody knowing where the information came from. There is also an anonymous way that the cash can be paid to you, ensuring that the process is totally confidential at all points, to protect your anonymity.
